Work experience

Frontend Developer
Poolz Finance, Tel Aviv

May 2021 - Oct 2022

I was the main front-end developer. I led constant support of the site and worked on its global updates. Had experience as a team leader. Participated in side projects. My tasks included working with forms, creating an adaptive, REST API, working with contracts using web3, animation, tables, unit testing

Took part in processes:

- Design realization
- Creating functionality
- Creating tests

Main technologies used:

- React, TypeScript
- Styled Components, Tailwind CSS
- Web3
- Jest, React Testing Library

Design tools:

- Figma

Repositories:

- GitHub

You can check the site here: <https://www.poolz.finance/>
